

JEB BUSH, GOVERNOR

ALAN LEVINE, SECRETARY

February 16, 2006

Dear Medicaid Provider:

The purpose of this letter is to inform providers that errors were made when the Florida Medicaid Management Information System was updated on January 1, 2006. The prices of seven therapy codes were affected:

97150 was changed to \$9.19 and should have remained \$3.30

97110 was changed to \$14.97 and should have remained \$16.97

92506 was changed to \$69.74 and should have remained \$48.50

92507 was changed to \$32.97 and should have remained \$16.97

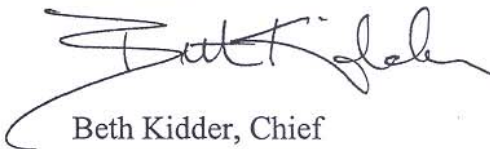

92597 was changed to \$51.56 and should have remained \$97.50

92609 was changed to \$32.57 and should have remained \$40.00

G0238 was changed to \$10.97 and should have remained \$16.97

The prices of the codes have been corrected and any claims that processed inaccurately will be reprocessed by the Medicaid fiscal agent. You do not need to take any action for this reprocessing to occur. The request to reprocess the claims was made on January 19, 2006, and reprocessing should occur from five to seven weeks from that date. Once the claims are reprocessed, please let us know if you do not receive the correct amounts.

Sincerely,

Beth Kidder, Chief  
Bureau of Medicaid Services
