

JEB BUSH, GOVERNOR

ALAN LEVINE, SECRETARY

July 22, 2005

Dear Medicaid Prescriber:

Our records indicate that you have prescribed Pulmicort Respules at least one time during the last three months.

This letter is to inform you that this product has been restored to the Medicaid Preferred Drug List (PDL) for Medicaid recipients through the age of five years. If you have a patient aged six years or older that requires this dosage form due to physical or mental limitations it can be obtained through prior authorization by calling 877-553-7481. Authorization will not be required for patients under the age of six.

Thank you for your services to Medicaid's pediatric recipients.

Sincerely,

Thomas W. Arnold
Deputy Secretary for Medicaid
